Sponsorship Overview

Businesses and individuals have a number of ways to partner with Giving Grace to help impact lives in Denton County. This packet displays sponsorship opportunities for 2024.

You can choose an annual package from our Business Partner Program which will include benefits all year long, as well as options to participate in our events. You also have the option to sponsor individual events.

Step 1 - Determine total budget you would like to contribute to Giving Grace.

Step 2 - Decide if your organization would like to be an annual Business Partner (with event benefits included) or an event sponsor only.

Step 3 - If you are a business partner, fill out page 5 with your Business Partner Level and events you would like included (50% of your annual business partnership can be used for event sponsorships).

Step 4 - If you only want to sponsor an event or multiple events and not become an annual sponsor, please fill out page 12.

You can visit givinggrace.org to find out more about Giving Grace or any of our events.

If you have any questions about our 2024 Sponsorship Package, please contact Michelle Conner at michellec@givinggrace.org.

BUSINESS PARTNER PROGRAM

Partner with Giving Grace as we transform lives and break the cycles of poverty and homelessness.

About this Program

Giving Grace's Business Partners provide the necessary unrestricted funding to continue our programs and services: Street Outreach, Housing and Readiness, and Rise with Grace. Through our programs, Giving Grace empowers change to overcome homelessness and housing instability one life at a time.

Grant funding provides a percentage of our housing resource and staff funding. However, unrestricted funding allows us to provide services that will meet the unique and individual needs of the people we serve. Your partnership helps us to be innovative in our approach as we transform lives through resources, relationships, and community, with the love of Jesus.
